Elon College

ELON COLLEGE
NORTH CAROLINA

Office of the President

Dear Seniors,

To have had the privilege not only of entering college but of remaining in college to graduation is the culmination of a cherished ambition. A number who entered with you in 1952, for various reasons, have "fallen by the wayside," but you have remained, steadfast and determined, and are scheduled to attain your goal in May, 1956.

You are to be congratulated. Elon College is proud of you. You, as a class, have made worth-while contributions to the intellectual, social and spiritual life of the campus. Your Alma Mater is counting on you to make the same wholesome and effective contributions to society, church and state in the future years as you have made during your stay at Elon College.

We shall miss you greatly in the College's daily program of events, but we are glad to send you out as our representatives in the affairs of a busy and a changing world. We know that you will acquit yourselves as men and women of ability and of courage.

Elon College covets your continued interest and affection wherever you may go, and in whatsoever business or profession you may be engaged. Always remember that you are, in reality, Elon College. I know that on all occasions you will strive to reflect honor upon your institution.

Sincerely,

L. E. Smith
President

MRS. J. H. McEWEN, SR. To Her We Dedicate . . .

Elon College has many steadfast friends, friends who appreciate her needs as well as her achievements, and are quite willing to give time, counsel and material aid that her needs may be adequately met.

Mrs. Iris Holt McEwen is prominent among such friends. Her late husband, Mr. J. H. McEwen, Sr., was a true friend and a generous supporter of Elon College. Mrs. McEwen, her son, Mr. J. H. McEwen, Jr., of New York City, and her daughter, Mrs. J. A. McCrary, of Burlington, North Carolina, have made generous contributions for the erection of a central building on our campus, the McEwen Memorial Dining Hall, which is erected to the memory and in honor of Mr. J. H. McEwen, Sr.

Mrs. McEwen was born and reared in Burlington, North Carolina, was graduated from Woman's College of the University of North Carolina, Greensboro, and is an active member of the First Congregational Christian Church in Burlington. She is prominent in the business, economic and club life of the state and a social and religious leader. She is also a member of the Board of Trustees of the College, chairman of the Committee of On-Campus Property, and a member of the Committee on Furniture for the new dining hall and dormitories.

As an expression of appreciation of her generosity and profitable services to the College, we, the class of 1956, take great pleasure in dedicating the PHI PSI CLI, our college annual for 1956, to Mrs. Iris Holt McEwen, our friend and benefactor.

Left to right: Mary S. Zink, Dean of Women; J. Earl Danieleley, Dean of the College; J. C. Colley, Dean of Men.

To the Graduating Class . . .

I congratulate you, the class of 1956, on the occasion of your graduation. It has been a pleasure to work with you. This is a significant milepost for you on the road of life; it is not the "finish line" but only the beginning. You have sought your education at a liberal arts college; may life's experiences prove that you have, in reality, found a liberating quality in your studies. Alma Mater is also a Christian College; here you have found an emphasis on moral and religious values. It is our hope and our prayer that your Christian convictions have been strengthened and your faith increased by your experiences on our campus. May God guide you in all your choices, direct you in paths of service and richly bless you in all things.

Sincerely yours,

J. E. DANIELEY, *Dean*

OFFICERS

FERMAN MOSELEY
President

JERRY MOIZE
Vice-President

MARGARET PATILLO
Secretary-Treasurer

Left to right, Ferman Moseley, President; Margaret Patillo, Secretary-Treasurer; Jerry Moize, Vice-President.

Front row, left to right: Joyce Myers, Carolyn Abernathy, Jimmy Calhoun, Robert Phelps, Joyce Perry. Top: Larry Barnes, Chairman.

Honor Council

The Honor Council is composed of two seniors, two juniors, one sophomore, and one freshman. This group has original jurisdiction over all violations of the Honor Code and the Campus Code.

Front row, left to right: Nick Theos, Meryle Mauldin, Shirley Cox, Homer Hobgood. Top: Pat Chandler, Chairman.

Student Council

The Student Council is composed of representatives of both men and women students, with one member elected at large from the student body. This branch of the student government, having final jurisdiction in all cases involving offenses against the Student Body, serves as a court of appeals and has original jurisdiction in the interpretation of the Student Constitution.

INTERDORMITORY COUNCILS

The Women's and the Men's Interdormitory Councils are composed of representatives from all resident men and women students. The two councils act as governing bodies—to make rules affecting the conduct of dormitory students, to try violators of the rules, to speak for dormitory men and women in matters concerning the college, and to counsel them.

Left to right: Margaret Johnston, Frances Knight, Harriett Talley, Sylvia Grady, Ann Wilson, Betsy Johnson, Mary Ann Thomas, Pat Coghill.

This being one of the most eventful years in the history of Elon College, The Phi Psi Chi staff felt it necessary to focus its attention upon the building program taking place on our campus this year.

This book will be to you a lasting memory of the events and the exact time of the erection of Carolina Hall, Virginia Hall, and McEwen Dining Hall.

Maroon and Gold

JACK LINDLEY
Business Manager

Life at Elon College is depicted fortnightly in the columns of the *Maroon and Gold*, the campus newspaper, now in its thirty-fifth volume.

The *Maroon and Gold*, which has been accorded numerous honors in past years in competition with other college news sheets, enjoys one distinction in North Carolina in that it is the only senior college paper in the state that is printed on the campus.

For many years Elon College has had its own print shop, and there on the first floor of the Science Building each two weeks is a scene of bustling activity as the newest edition of the paper is prepared for press.

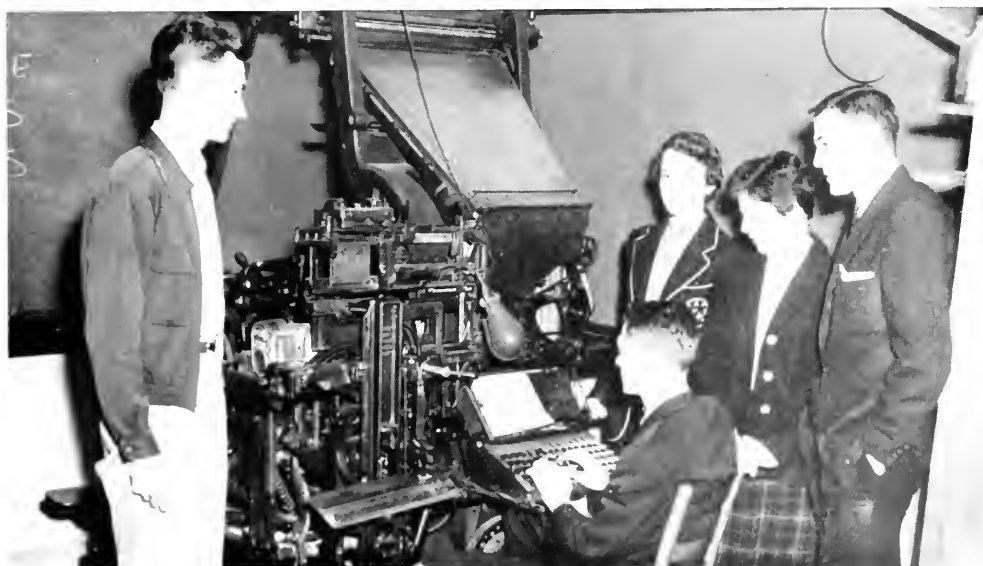

Then comes a roar as the press sounds through the halls, and another edition is soon passing through the colonnades, giving to all the story of the activities of Elon's students, faculty and alumni.

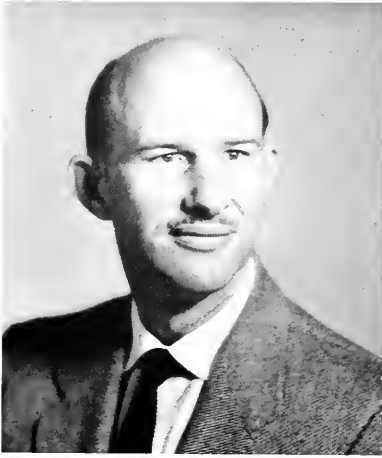

There's a lot of work involved in publishing this bi-weekly story of Elon life, but there's a lot of fun too, and friendships formed over in the old print shop endure through the years.

Colonnades

For many years *The Colonnades*, campus literary magazine, has been published under uncertain financial conditions, having been sold to students at a drastic loss. As a consequence, it has failed to appear at all some years; some editions have been anemic examples of what might have been.

This year things are different. For the first time *The Colonnades* is financed through the student

activity fees, and every student entitled to an annual also received a magazine. It is hoped that this arrangement will result in bigger and better publications as Elon College grows in all directions.

As in years past, *The Colonnades* is sponsored by Prof. West, and most of the material published in this issue was written under his direction in his creative writing classes.

Pan Hellenic Council

The Pan-Hellenic Council, composed of a representative from each of the four sororities and four fraternities, has for its purpose to create an understanding among these organizations.

At Christmas time, the Alpha Pi Delta fraternity and the Pan-Hellenic Council worked together to give the annual Elon Orphanage party. Money is

given by each fraternity and sorority to give a girl's and a boy's bicycle for the orphanage children.

Representatives from the sororities met and planned concrete rules which made their spring rushing more enjoyable.

Beta Chi Epsilon

Those among us who enjoy writing letters of business or aspire to make a career through the nimbleness of our fingers on a keyboard will find ourselves members of the Beta Chi Epsilon Sorority. This organization serves to mix business with pleasure for students taking a secretarial course.

Taking the liberty now of making ourselves one of the group, let's see just what they do. We discover the club's most important aspect lies in its duty to help stimulate the atmosphere of a business office in the classroom, this done through sponsorship of demonstrations of modern office equipment, and also through inspection tours of various business organizations. The club meets weekly, and one meeting a month features a dinner with guest speakers and entertainers who provide enlightenment and enjoyment for the group.

Alpha Psi Omega

Alpha Psi Omega is an honorary dramatic fraternity which provides a wider interest in the college theater. The students, as they qualify, are rewarded by election to membership into the Society.

This chapter offers an Alpha Psi Omega award to be made to the graduating senior who, in his four years at Elon, has contributed most to the theater on the Elon campus. The award is to be determined each spring by a majority vote of this chapter.

Aside from personal and group interests, Alpha Psi Omega covers a much wider scope than this, as does any National Fraternity. It is useful in obtaining positions after graduation, because it is usually a very good recommendation.

Cheerleaders

The cheerleaders should be given credit for the support and school spirit they demonstrated during the 1955-56 school year. They did a grand job supporting the football team for the 1955 season, since they attended all but the Mississippi Southern game. They continued their job by following the basketball team through a successful season.

We are proud of our "head cheerleader" this year because she has done a splendid job working with the girls and many thanks to Professor Brashear for his co-operation and coaching throughout the year.

Let's give a few "Rab's" for our cheerleaders, how about it?

Elon Players

Blithe Spirit

Out of the Frying Pan

Grease paint . . . scenery . . . costumes . . . coffee during a five minute break . . . dress rehearsal . . . all of these are things that the Elon Players well remember and hold dear to them!

This year the first play given was the Broadway production "Out of the Frying Pan." The play ran for five big nights and was a great success. This, along with the fact that the float the Players entered in the homecoming parade symbolizing modern theatre won first prize, inspired them to work even harder than before.

This year marked a big year for the Elon Players, with their radio skits, three-act plays, and short comedies. For the first time the Players were under the direction of Mr. M. E. Wooten, who served as a very inspiring captain steering the players on through the year until they could honestly say, with all enthusiasm, "This has been the most successful year ever!"

Day Student Organization

The Day Student Organization is composed of all students who travel from their respective homes to attend only the morning classes. The sole purpose of the organization is to give these students a chance to meet in one body to have representation in the many activities of Elon College. It gives the students a feeling of belonging, as well as a chance to work and voice their opinions in our student government and to take part in the activities of our campus.

This year the Day Student Organization has written for itself a constitution, which will enable it to be a democratic organization. Besides this they entered a float in the homecoming parade, have taken an active part

in the Student Legislature, have participated in competitive sports after school, and many of the members have been selected to the different fraternities and sororities on campus.

Although the majority of the day students are not on the college campus, it is still their desire to support the college in any way possible.

Our representatives to the Student Legislature are John Biggerstaff, Bobby Johnson, Dot Keck, Barbara Carden, Darrell Shue, Bill Stanfield, and James Biggerstaff. In closing let me say that as our Day Organization increases, may we as day students help our school to grow and grow.

Elon College Band

The Elon Band began its first step of Reconstruction this year, in making an effort not only to play for the athletic events but to organize on a full year schedule. The band played its first concert in many years and has others scheduled. The band members have displayed an eagerness to make the band at Elon a fine organization. We are looking forward to an even better year next year with a larger membership. The band was under the direction this year of Prof. Dewey M. Stowers, Jr., with Charles B. Jones acting as assistant bandmaster. The members of the band this year are as follows: Trumpets: Charles B. Jones, Eddie Robbins, Mr. & Mrs.

Thomas Coe, Bob McAdams, and James Howell. Trombones: Paul Radford, Bill Kerman, Meryle Mauldin, and Thomas Lewis. Clarinets: Bill Ginn, Nancy Williamson, Carl Burke, James Compton, and Vernon Joyner. Basses: Donald McDaniel, William Scarborough, Bill Neil, and Stewart Cass. Percussion: Bob Bergman, John Buckner, Charles Mason, Terry Rountree, and Douglas Albert. The band wishes to express its appreciation for the fine job that the majorettes did this year in helping the band. We were glad that we were able to furnish them with new uniforms so as to enhance the appearance of our organization.

The local club is affiliated with the American Home Economics Association. Its purpose is to stimulate interest in, to develop an understanding of the field of home economics, and to provide an opportunity for fellowship among home economics students on campus. Membership is open to all home economics students and students interested in the subject.

The Purpose of "El Club Espanol," to create more student interest in the Spanish-speaking countries and to promote the student's understanding of them, has once again been fulfilled.

During this past year the members have learned many of the Spanish customs, have listened to music, and have read literature through well-planned programs, which included several outside speakers, Spanish songs and games.

Much of the success of the club can be attributed to the advisor, Mrs. Bessie P. Sloan.

The Chemistry Club is composed of Student Affiliates of The American Chemical Society. The object of this organization shall be to afford an opportunity for students of chemistry in Elon College to become better acquainted, to secure the intellectual stimulation that arises from professional association, to secure experience in preparing and presenting technical material before chemical audiences, to foster a professional spirit among the members, and to instill a professional pride in chemistry.

which S. C. A.'ers have enjoyed so much through the years.

Vesper services during the week and programs stemming from the three commissions—World Order, Campus Affairs and Personal Relations, and Religious Life—will be remembered by many as perhaps the most vital contribution of this organization.

SCOTT BOYD

Head of the Department of Physical Education

Coach Scott Boyd is the director of the College Physical Education Department. A faithful worker, he can most always be found trying, in some way to improve the Physical Education Department or "kicking like a steer" over an intramural question that has arisen. He is probably best known and recognized by his constant use of cigarettes.

JEANNE GRIFFIN
*Head of the Women's

SID VARNEY

Head Football Coach

The 1955 Pigskin Parade was coached by "Sid" Varney, now a third year man directing the "fighting Christians." He met with many ups and downs this year and through the thick and thin of troubles and injuries managed to wind up the season in a winning fashion. Coach Varney, best known for his sportsmanlike but scrappy attitude and desire to be a winner, is respected and admired all over the campus.

"DOC" MATHIS

Head Baseball and Basketball Coach

Graham L. Mathis, better known as "Doc" to the student body, along with his associates, is mentor of the Elon Court Activities. This year "Doc" had several proven athletes returning to the team, who when combined with the lettermen and newcomers, gave coach Mathis the potential for a good season. His familiar shout on the court and his rigidity with the team members has made him a well known and respected figure on the College Campus.

JEANNE GRIFFIN

Head Women's Athletic Director

Mrs. Jeanne Griffin, a native of Virginia and an Elon graduate, is now serving in her first year as Director of the Women's Department of Physical Education and health courses. Because of her aptness, ability, and willingness to work with the students, she has become known and well liked by the student body.

Football

ELON 0 MISSISSIPPI SOUTHERN 39

Mississippi Southern's heavy and experienced gridders romped more or less at will to swamp the Elon Christians 39 to 0 before a crowd of 13,500 fans in Hattiesburg, Mississippi. It was an auspicious debut for the Southern's, but it gave scant comfort to the followers of the Christians.

The Elon squad, entering the game with veteran backfield combination that had been thought one of the best small-college crews in the South and perhaps in the country, found itself virtually unable to move against Southern's tremendous line: a forward combination that averaged better than 230 pounds from tackle to tackle and over 210 pounds from end to end.

A pair of Elon rookies, J. B. Vaughn at tackle and Tony DeMatteo at guard, stood out in the line play, with Captain Homer Hobgood showing flashes of brilliance at center.

ELON 18 CITADEL 26

The Fighting Christians, playing with a remodeled backfield after the loss of two regulars who started the opening game with Mississippi Southern, displayed brilliant form as they dropped a tough battle to The Citadel's Bulldogs in Charleston, S. C.

Although denied the victory, the Elon grid squad displayed a complete reversal of form from their opening defeat. The entire Christian line played a terrific ball game, and the new backfield combination played as if it had been together through many battles.

ELON 0 APPALACHIAN 19

Elon could do nothing right in taking a 19 to 0 "mud battle" defeat at the hands of the mountaineers of Appalachian before a home-town crowd of 6,500 in the Burlington Memorial Stadium.

Naming stars for Elon appears almost impossible, although Sonny Martin and Homer Hobgood had bright moments backing up the line. Whitney Bradham and Kerry Richards carried most of the offensive burden, with Richards' best play a 42-yard return of an Appalachian punt.

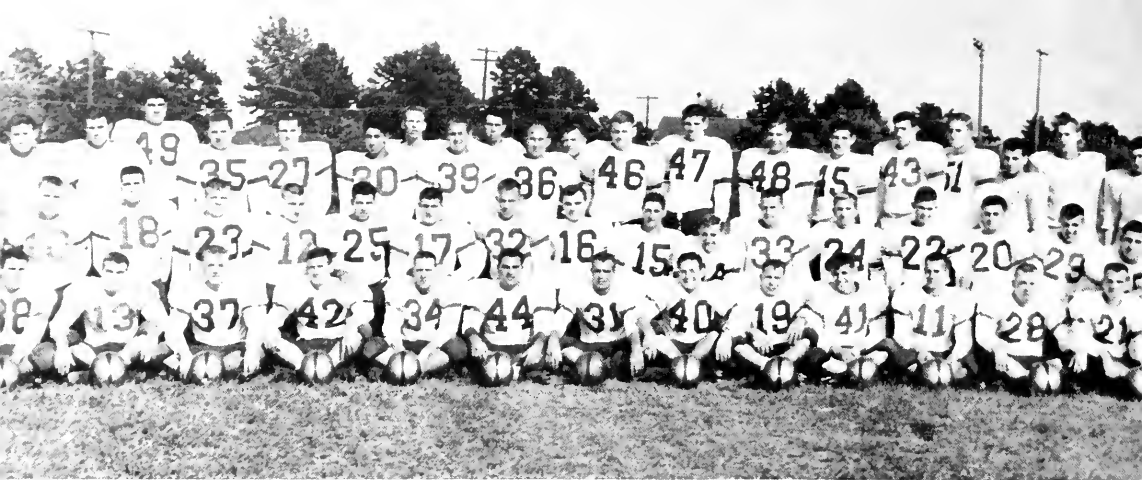

ELON 51 APPRENTICE SCHOOL 7

The Fighting Christians walked over the Newport News Apprentice School eleven in a fine display of team spirit and work. The Elonites scored twice in every period, but missed all but three of the extra points. This did not prove costly at

all, for the Christians scored more points than any other Elon team has for the past six years.

ELON 0 EAST CAROLINA 13

The Fighting Christians were seeking an effective aerial attack as they went down before the East Carolina Pirates 13 to 0 in a homecoming battle at Greenville, N. C.

It was a game played beneath murky and threatening skies and before 3,000 fans, who were present for the E. C. C. homecoming. The gold-jerseyed Christians reflected moments of greatness on the ground and threatened more than once with their rushing attack. The passing threat, however, was still missing, and Elon suffered her fourth successive defeat of the 1955 campaign. We might add that Whitney Bradham played brilliantly for Elon's losing cause.

ELON 0 NEWBERRY 19

Elon knew defeat once again as the Newberry

Indians won a decisive 19 to 6 victory over the home-standing Christians in the Burlington Memorial Stadium.

In absorbing their fifth loss of the 1955 season, the Fighting Christians turned in their best performance of the year, as Coach Sid Varney unveiled a "two-platoon" system, which represented a "new look" in the maroon and gold squad.

Centers Homer Hobgood and Lynn Newcomb paced Elon's alternating lines. Whitney Bradham was Elon's top threat on offense.

ELON 0 CATAWBA 19

Still unable to break into the winner column, the Fighting Christians dropped their sixth successive game to the Catawba Indians by a 19 to 0 margin. The game was played in Catawba's Stadium before a crowd of 2,000 fans.

J. B. Vaughn, Sonny Martin, and Captain Homer Hobgood played good defensive ball for the Christians. Whitney Bradham, Kerry Richards and Tom

ELON 19 WESTERN CAROLINA 6

After getting off to a very bad start, the Fighting Christians poured the coal to romp over the Western Carolina "Catamounts" without too much strain. A home crowd of 2,000 saw Richard Bradham and Kerry Richards hit pay-dirt 3 times to stop the "Cats" with the 19 to 6 victory.

This was the traditional climax of Homecoming and the Alumni surely were given their money's worth, for from the initial play the Christians dominated the field of play.

ELON 0 LENOIR RHYNE 28

The Bears of Lenoir Rhyne clinched at least a tie in the conference by defeating the Fighting Christians at Hickory, 28 to 0. The Christians before the game had two previous consecutive wins.

Harold Bullard, the Bear fullback, did the majority of the damage to the Christians, scoring 2 touchdowns and playing a bang-up defensive game. Elon's efforts were gamely aided by two young Freshmen, Joey DelGais and Tony Carcaterra. Also, Bob Stauffenberg made his first appearance since breaking his arm at Mississippi Southern.

ELON 19 GUILFORD 6

The boys in Maroon and Gold wound up the 1955-56 season with a decisive win over the "Quakers" of Guilford at Hobbs Field at Guilford College. Both squads competed to their utmost throughout the contest.

The Christian offense was spearheaded by the running of Bob Stauffenberg, who scored two touchdowns, and Whitney Bradham, who punched it over from the one to score the third touchdown. The Guilford lone score came on a 11-yard pass play from Henry Siler to Bob Carnish.

The Fighting Christian basketball team of '55-'56 most certainly lived up to their name and expectations. Winning most of their games, conference and non-conference, they proved to be one of the better Elon quintets.

One of the greatest assets to the team was the return of two veteran stars from the service, Ben Kendall, the '55-'56 squad co-captain, and Dee Atkinson. Also, there were several returning veterans with previous years of experience, Ed Juratic, Hugh City, Ray Whitley, and Jimmy Crump. These too contributed much to the success of the team.

I believe everyone will agree with the Pitt Psi Chi staff that this team deserves a great big cheer from the whole college.

This year the Intramural Athletics Program seems to be reaching its long-sought goal, a prominent place on the Elon College campus. Never before was the participation on the part of individuals and organizations so enthusiastic. This success is due mainly to the hard work of the managers, the Intramural Council, and Coach Scott Boyd, the Director of Intramural Athletics. In comparison with other colleges of the same enrollment, Elon has a greater variety of sports and great number of participants.

Trophies were awarded the outstanding teams and

players in every contest. A permanent trophy was awarded to the individual getting the most points.

A wide enough variety of activities is offered to enable every student to complete in the sports of his own choice, and competition is carefully graded so as to assure every participant of meeting opposition on his own level of ability.

Moreover, a carefully selected and well-trained staff of officials is always on hand to supervise all contests. It cannot be recommended too strongly that every student participate.

Track

The Elon cinder squad smashed three records and tied one as the Christians raced to victory in the annual North State Conference track meet at High Point on May 11, winning the 1955 championship from a fine field that included teams from six colleges.

In winning Elon's first Conference championship of the 1951-55 college year, the Christians rolled up 53 points. The victory was Elon's fourth in five meets this season.

Eight records were broken and two tied during the meet, which saw each of the six teams win at least one first place. Elon claimed five firsts, East Carolina four, Guilford and Lenoir Rhyne two each, and High Point and Catawba one each. Horst Mevius, Elon middle-distance star from Lubeck, Germany, set two new records

as he won both the quarter and half. He broke the old quarter mark held by Joe Breedon, of Guilford, and surpassed the old half-mile record held by Elon's Larry Gaither.

The Elon relay four topped Guilford's old mark in winning the mile relay, and John Platt tied his old mark in the pole vault. Other fine performances for Elon were by Lynn Newcomb, who bettered the old mark in taking second in the quarter, and Paul Watts, who won the mile in near-record time and took second in the two-mile.

It was Elon's second track championship in the six-year history of the meet, for the Christians also annexed the title in 1951.

The Elon College baseball season came to an unexpected end when Atlantic Christian forfeited a game to East Carolina, thus breaking the tie between Elon and East Carolina for the Championship in the eastern division of the North State Conference and sending the Pirates into a play-off with Western Carolina for the Conference Championship.

Elon placed eight men on the All-Conference squad. They included Luther Conger, Sherrill Hall, Charlie Swicegood and Hank Hamrick, pitchers; and Nick Thompson, shortstop; Bobby

Green, outfielder; Alton Myers, utility infielder; and Homer Hobgood, catcher. It was four times for Swicegood and Hamrick, three times for Thompson and Hall, and twice for Green and Conger.

Coach Doc Mathis' outfit posted an over-all mark of 16 wins and 5 losses for the season, but two of the defeats came at the hands of Carolina League pro teams. This gave the Elon outfit a mark of 16-3 against College and Amateur teams, with 15 of the wins over College competition and one over the powerful McCrory Eagles.

Tennis

The tennis team had rough sledding during its season, but the netters did chalk up overwhelming victories over Atlantic Christian in two meets.

Golf

The Elon golf team won a surprising victory over Appalachian to finish their season with a 7-3 record. The linksmen posted two wins over High Point, two wins over Catawba, two wins over their arch rival, Guilford, and a victory over Appalachian.

In the state meet, Elon got off to a slow start, but rallied considerably to finish third in the tournament held on May 9 and 10.

The return of first man Bobby Loy and second man Jim Leighton, plus two new freshmen stars, Fred Lloyd and Henry Landress, should bolster the coming year's links hopes.

Women's Athletics

The intramural program for women is composed of the girls who wish to participate in the sports on the Elon College Campus. The purpose of the Women's Recreation Association is "to promote wholesome and healthful activity, to stimulate an interest in athletics, to create a good spirit of sports-

manship, and to co-operate with other campus organizations in promoting and maintaining the highest standards of college life." It is through this organization that the girls take active part in the sports that the W. R. A. sponsors.

SOUTH DORMITORY

LADIES' HALL

The parade on Saturday afternoon, hailed as the best ever staged for an Elon Homecoming, showed nearly fifty units. First prize for the best float went to the Elon Players, with the Student Christian Association and the Elon Choir taking second and third awards.

The trophy for the best dormitory decorations went to the boys of South Dormitory, with the girls of West Dormitory taking the second-place

award. Honorable mention was awarded to the girls in Ladies' Hall and the boys in the Club House.

Even though a sudden shower of rain prevented the presentation of the Queen and her court at the football game, this sour note was drowned in the pleasure of Elon's 19-6 grid victory over Western Carolina.

Founder's Day

CAROLINA HALL

Alumni and friends of Elon College gathered on the campus Tuesday, September 27, 1955, for an all-day "Founders' Day" program, which honored the founding fathers of the college and commemorated the establishment of the institution by the Congregational Christian Church in 1889.

The program for the event, designed to bring a closer relationship between Elon College and the Southern Convention of Congregational Christian Churches, created much interest and attracted a crowd to the campus. Enthusiasm was shown this day for the new fund-raising effort, which is planned to push to completion the larger campaign that had been launched originally in the late 1940's. The final goal being to raise \$2,500,000 for expansion and support of the college.

Homecoming

The big events began Friday night, October 28th, with a Ball in the Alumni Memorial Gymnasium, which was transformed into a scene of outstanding beauty by the "Gay Nineties" decorative scheme. Paul Zimmerman and his orchestra furnished the music for dancing.

At the intermission Barbara Carden was crowned as Queen of Homecoming. She was escorted at the coronation by Roger Nardelli. Her chief attendant and Maid-of-Honor, Ann Dula, was escorted by Moss Beecroft. Sponsors from various campus organizations formed the royal court.

Who's *Among Students in American*

Recognition by *Who's Who Among Students in American Universities and Colleges* means that the student was, first, officially recommended from the university or college he attends and, then, accepted by the organization. Nominating committees are requested to consider the student's scholarship, his leadership and co-operation in education and extra-curricular activities, his general citizenship, and his promise of future usefulness.

Who's Who Among Students in American Universities and Colleges is designed:

Who

Universities and Colleges

As a goal to inspire greater effort in those who may not otherwise perform to the best of their ability:

As a reminder that time must be used intelligently to bring the best results from one's college experience:

As a means of compensation for outstanding effort and achievement;

As a standard of measurement for students comparable to other recognized scholastic and service organization.

He Goes To School . . .

Tom Barron, who is a veteran, lives in Veterans' Apartments. His wife, whom he met and married in Germany, is a homemaker and the mother of two children. Tom attends classes here in the morning. The upkeep of the apartments and their management is Tom's responsibility. This is an example of the life of a typical married couple living in "Vets."

And She Goes Too

Mary Sherrard also lives in "Vets." She attends classes at night and studies during the day while taking care of her three children. Her husband works in the day time and baby-sits at night while his wife is at school. This, too, is typical of our married folk in "Vets."
